Shaping the Future of
Municipal Infrastructure

Welcome to SIDSSA 2026

Dear Delegate,

Infrastructure South Africa is pleased to welcome you to the Sustainable Infrastructure Development Symposium South Africa (SIDSSA) 2026.

SIDSSA brings together government leaders, policymakers, municipalities, state-owned entities, investors, development finance institutions, academia, industry leaders and infrastructure professionals from across South Africa and the African continent to engage on the future of sustainable infrastructure development.

Held under the theme **“Shaping the Future of Municipal Infrastructure,”** the symposium provides an important platform for dialogue, collaboration and partnership, focusing on innovative infrastructure solutions, investment mobilisation and sustainable service delivery.

This **Delegate Information Pack** has been prepared to support your participation and contains important information relating to the symposium programme, accreditation, venue access, travel, networking opportunities and delegate services.

We encourage you to review the information carefully before travelling to Cape Town and look forward to welcoming you to an engaging and productive symposium.

Ms Mameetse Masemola
Head of Infrastructure South Africa

Shaping the Future of
Municipal Infrastructure

SIDSSA 2026 offers delegates a dynamic programme of high-level discussions, knowledge sharing and networking opportunities designed to shape the future of municipal infrastructure across South Africa and the African continent.

Highlights include:

- ▶ High-level keynote addresses by government leaders and industry experts
- ▶ Ministerial panel discussions on infrastructure policy, investment and project delivery
- ▶ Insightful technical presentations and knowledge-sharing sessions
- ▶ Strategic dialogue with policymakers, municipalities and infrastructure practitioners
- ▶ Networking opportunities with government, investors, development finance institutions and industry leaders
- ▶ The SIDSSA 2026 Exhibition, showcasing innovative infrastructure solutions, technologies and services
- ▶ City-to-City Connect, fostering collaboration and the exchange of best practices among municipalities
- ▶ Opportunities to establish strategic partnerships and engage with key stakeholders across the infrastructure ecosystem
- ▶ Dedicated networking functions designed to strengthen relationships and encourage future collaboration

EXHIBITION

**Collaborate.
Integrate.
Sustain.**

Shaping the Future of
Municipal Infrastructure

The SIDSSA Exhibition provides delegates with an opportunity to engage directly with infrastructure organisations, government departments, technology providers and development partners showcasing products, services and innovative solutions.

Delegates are encouraged to visit the exhibition throughout the symposium to maximise networking and business engagement opportunities.

NETWORKING OPPORTUNITIES

SIDSSA has been designed to encourage meaningful engagement through:

- ▶ Networking breaks
- ▶ Exhibition interactions
- ▶ City-to-City Connect
- ▶ Networking Cocktail
- ▶ Hospitality lounges
- ▶ Business meetings

MEETING ROOMS

Private meeting rooms are available throughout the symposium by prior arrangement and subject to availability.

Delegates wishing to reserve a meeting room should contact the Coordination Team before the symposium. City-to-City Connect.
