UNDER THE LEADERSHIP OF

THE PRESIDENT OF THE REPUBLIC OF SOUTH AFRICA

CHAIR OF THE PRESIDENTIAL INFRASTRUCTURE
COORDINATING COUNCIL

UNDER THE STEWARDSHIP OF

MINISTER OF PUBLIC WORKS & INFRASTRUCTURE

The 2026 edition of the Sustainable Infrastructure Development Symposium of South Africa (SIDSSA), hosted by Infrastructure South Africa (ISA) under the leadership of H.E. President Cyril Ramaphosa, Chair of the Presidential Infrastructure Coordinating Council, and under the stewardship of the Minister of Public Works and Infrastructure, Mr Dean Macpherson, will take place from 23 – 25 August 2026.

As South Africa's premier infrastructure coordination and investment mobilisation platform, SIDSSA convenes government leaders, industry experts and investors to drive collaboration, strengthen partnerships and accelerate implementation.

Since its inception in 2020, the symposium has played a pivotal role in strengthening the national infrastructure pipeline, mobilising funding and addressing systemic delivery challenges.

SIDSSA 2026 will showcase progress across Strategic Integrated Projects, Project Preparation Funding initiatives and the Infrastructure Fund pipeline, while advancing international partnerships and expanding investment opportunities across key sectors including energy, water and sanitation, transport and logistics, digital infrastructure, agriculture and human settlements.

The 2026 edition will further emphasise ISA's continued support to provinces and municipalities, reinforcing infrastructure as a driver of sustainable economic growth.

SUSTAINABLE INFRASTRUCTURE DEVELOPMENT SYMPOSIUM IN ACTION:

PROVEN IMPACT. MEASURABLE RESULTS.

Looking back – SIDSSA 2025 Outcomes
